

Ezelle Apartments

MULTIFAMILY

Ezelle Apartments is a 312-unit luxury garden apartment community in Kissimmee, Florida, offering one- to three-bedroom residences with detached garages and strong access to southwest Orlando destinations. The project uses a resort-oriented site plan and layered amenity strategy to create a highly programmed market-rate offering.

Standout amenities include the pool and hammocks, wetland nature trail, coworking space, and fitness/yoga areas, representing a broader resident package that strengthens leasing appeal and competitive positioning in the submarket.
