Clear Lake Isles is an 84-unit, three-story 55+ senior housing community in Cocoa, Florida, designed to combine an approachable coastal residential character with the amenities and convenience that support active adult living. The project uses a light pastel exterior palette, white trim, stone accents, and a prominent porte cochere to create a welcoming identity, while the site plan integrates a clubhouse, fitness center, pool, dog park, putting green, and laundry facilities to enhance day-to-day livability.

With one- and two-bedroom rental residences, tropical landscaping, proximity to Cocoa Beach, and easy access to major roadways, Clear Lake Isles offers a lifestyle-driven senior housing solution that balances market appeal, functionality, and resident comfort.
